## **TUITION**

Tuition shall be charged to all persons age 21 or older who wish to attend the regular educational program and whose enrollment in the district is deemed to be the most appropriate placement by the superintendent. If the student is placed in the district, restrictions on participating in student activities will be imposed. The formula for determining the rate of tuition is fixed by the state superintendent of public instruction. Additionally, tuition may be charged to cover excess costs for full day kindergarten, summer school or similar optional educational programs.
